MEMORANDUM FOR: Chief, WH Division

SUBJECT : 25X1A [REDACTED]

This will confirm my advice to 25X1A [REDACTED] by telephone this morning. The problem of establishment of cover for 25X1A [REDACTED] has been discussed by me with 25X1A [REDACTED] Acting General Counsel, and 25X1A [REDACTED] Special Contracting Officer. It is our considered opinion that the determination required is an operational and not an administrative one. It is our further opinion that appropriate and satisfactory authority exists in 25X1A [REDACTED] to cover the anticipated expense. Under the circumstances of reorganization now underway and in order that no doubt as to proper authority arise, the authorizing memorandum should be signed by the Chief, 25X1A [REDACTED]
